STUDENT ID: \_\_\_\_\_

TO WHOM IT MAY CONERN:

Our son/daughter would like to declare his/her intent to graduate during the \_\_\_\_\_ school year from LC Anderson High School.

We understand that our student must meet all graduation requirements as set forth by the Austin Independent School District and the State of Texas. In order for our student to be classified as 12<sup>th</sup> grade at the Mid Term of the School year, he or she must have a total of 18.5 credits at which time he or she will be moved up to 12<sup>th</sup> grade and will be ranked in the senior class. Prior to graduation our student must complete the Texas Higher Education Application for Early Graduation Scholarship through his or her counselor. The application will be forwarded to the Texas Higher Education Board office the last week of June to confirm Early Graduation status. As the school only forwards college intent, we understand that the Texas Higher Education Board will forward to the College the amount of the scholarship.

Respectfully Submitted: \_\_\_\_\_
